Raft River Rural Electric offers an incentive to improve qualifying windows for commercial, industrial, and agricultural buildings with primary electric heat. Window retrofits must be performed in an existing building that is electrically heated and has a total floor area under 20,000 square feet.

To qualify your rebate, simply follow these steps:

- Step 1: Contact Raft River Electric at 208-645-2211.
 Step 2: Arrange for a pre-installation inspection.
 Step 3: Install qualifying window(s) as per requirements. Window replacement must have a qualifying U-Factor. **Building must have a total floor area under 20,000 square feet.**
 Step 4: Arrange for a post-installation inspection.
 Step 5: Provide Raft River Electric with a copy of the replacement window(s) invoice, the NFRC stickers showing the U-Factor rating for each window installed, and the rebate form.

Raft River Electric Representative Use Only:

Example of NFRC stickers	Existing Window Condition	U-Factor	Sq. Ft.	\$/Sq. Ft.	Rebate
	Pre existing windows that are single pane, single pane with storms, or double paned metal frame	0.30 (or lower)		\$5.40	\$ -
Rebate Amount					\$ -
Existing Window(s): <input type="checkbox"/> Single Pane <input type="checkbox"/> Single Pane w/Storm <input type="checkbox"/> Double Pane w/Metal Frame					

I certify that the window(s) were purchased and installed in the Raft River Electric service territory. I will allow a representative of Raft River Electric to verify installation of the windows. I understand that my purchase must qualify under program weatherization specifications to be eligible for this rebate. Rebate amount(s) and measure(s) are subject to change. Processing of rebate application may take 45 days and will be denied if the application is not completed with all necessary information.

Terms & Conditions:

Installed Date: _____

- Utility rebate amounts are subject to change and are only available while funds are available.
- The program requires pre-install approval prior to any installation receiving a rebate.
- Your incentive check should be received within 45 days after the completion of the post-inspection.
- Please include rebate form, copy of invoices or receipts, and NFRC window stickers or NFRC report.
