Raft River Rural Electric offers an incentive when you replace a qualifying un-insulated or otherwise substandard exterior door with a pre-hung ENERGY STAR qualified door. The replacement must include the threshold.

**To qualify your rebate, simply follow these steps:**

- Step 1: Purchase and install a qualifying door and apply for the rebate within 3 months of purchase. Provide Raft River Electric with a copy of your invoice, listing the manufacturer, model number, type, size, cost and quantity of your door(s). **Incentive cannot be processed without this information.**
- Step 2: Provide us with a copy of the ENERGY STAR product list showing the product or the product information insert or packaging that includes the ENERGY STAR logo.
- Step 3:

**Raft River Electric Representative Use Only:**

Home Type	Manufacturer	Model Number	Type	Size	Cost	Quantity	Rebate per Door	Rebate
Single Family with primary electric heat.							\$36.00	\$ -
Manufactured Home with primary electric heat.							\$36.00	\$ -
<b>Rebate Amount</b>								\$ -

I certify that the door(s) were purchased and installed in the Raft River Electric service territory. I will allow a representative of Raft River Electric to verify installation of the door(s). I understand that my purchase must qualify under program guidelines listed above to be eligible for this rebate. Rebate amount(s) and measure(s) are subject to change. Processing of rebate application may take 45 days and will be denied if the application is not completed with all necessary information.
